NEW BUSINESS

There was nothing specific on the agenda, so the floor was opened for questions and discussion. Captain Spear brought forward a request from the benefits committee to make the pension requirements match the active membership requirements. Currently there is a requirement of responding to 1.5 times the number of calls to get a qualifying year of pension than there is for active membership. Discussion took place. Will look to modify the policy at the 12/14/22 pension meeting. This gives time for the benefits committee to take this before the membership, but they are not expecting any pushback.

It was noted that we will be due for an actuarial study in 2023.

Next Pension Board meeting will be held on December 14th, 2022.

Meeting adjourned at 5:30 p.m.

David Hamrick, Secretary
