Leaving early gives you the best chance of surviving a wildfire, and keeps roads clear for firefighters and law enforcement.

Do not wait to be advised to leave if there is a possible threat to your home, evacuation route, or possible road congestion.

**BE  
PREPARED**

● **READY** *What to do right now*

**Create defensible space around your home right now!**

Remove combustible brush and firewood away from your home, and relocate patio furniture away from your home and store indoors.

**Have your Go Kit ready!**

Prescription medications, important documents, emergency supplies, family communication plan, and plans for pets & livestock.

**SET** *Prepare and be aware*

**Be Evacuation Ready!**

Know at least two evacuation routes, and plan for traffic congestion

Ensure your vehicle has a full tank of gas

Have your Go Kit ready, and dress accordingly

Alert your neighbors, and ensure pets are ready for travel
